- Helps you understand how to make positive changes to improve how you live
- Can be taken in the comfort of your own home
- Can be taken any time of day or night

## IMPROVE YOUR LIFE AND MAKE BETTER CHOICES

Improving your life begins with taking positive steps toward change through Learning, Being, Living, Knowing, Choosing, and Doing.

In this course you will learn about laws, how to improve your outlook and self-worth, how to live a healthier life, skills for communications and conflict resolution, and how to recognize and avoid making risky decisions.

The course is broken into several parts, and each part represents important concepts around punishment and deterrence, improving the way you live, and how to think about your behaviors. The course also provides you with steps you can take and resources you can use to begin living a better life for yourself and those around you.

Translates to Spanish, French, Chinese and any other browser supported languages.
