

ALCOHOL & SUBSTANCE ABUSE

ONLINE EDUCATION PROGRAM SPECIFICALLY DESIGNED TO TREAT ALCOHOL AND SUBSTANCE ABUSE BEHAVIOR

COURSE OVERVIEW

The Advent eLearning Alcohol and Substance Abuse course teaches participants signs and science of alcohol and substance abuse, the impacts and consequences of substance use, and techniques and resources available to those with a substance abuse disorder.

Participant responses are recorded for case worker review, and participants can repeat any sections to review materials, if needed. A final review and test over the coursework is included, and participants must achieve a minimum score of 60% or above to pass. This course will take approximately four hours to complete and is written at an 8th-grade reading level.

APPROPRIATE OFFENSES

Alcohol misdemeanors and violations; controlled substance misdemeanors; misdemeanor intoxication.

Translates to Spanish, French, Arabic and any other browser supported languages.

ABOUT THE PLATFORM

Advent eLearning offers over 30 online education courses available through the program management platform—each designed by subject matter experts to address specific criminal behaviors. Courses can be assigned to participants by your organization, or directed to apply to your program online.

The platform includes a full suite of communication tools—mail, email, SMS text messaging—so that you can keep participants on track. You have full auditing capabilities, allowing you to monitor participant progress as well as any action taken by participants or fellow administrative users. The platform's robust suite of reporting tools give you the ability to track the success of your program at all levels. And with the platform's notification center you'll be notified the moment a participant passes or fails an assigned course, and you have immediate access to completion certificates for your records and court files.

Advent eLearning

ABOUT THE AUTHOR

Dr. Amy Smith is a professor at San Francisco State University Psychology Department. She holds a J.D. from the University of Michigan Law School and a Ph.D. in Social Psychology from the University of California at Santa Cruz. Her research explores issues relating to capital punishment, the impacts of incarceration, legal decision-making, and the intersections of psychology and law generally.

In addition to teaching, her experience includes work with the San Francisco Juvenile Court, Office of the State Public Defender in California, along with private practices in CA, GA and MI. Dr. Smith served on the boards of numerous criminal reentry programs including Alliance for CHANGE and Project Rebound.
